| Additional Rate Information | Rates are subject to change without notice at any time and after account opening. Rates may vary by location. Fees could reduce earnings. There are no maximum or minimum interest rate limits for this account. Interest will be compounded monthly and will be credited to the account monthly. If you close your account before interest is credited, you will not receive the accrued interest. We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day. Interest begins to accrue on the business day you make a deposit. | | |
